Install Key: MS895753J27424J6

To start enjoying the DivX Accelerated solution, here is what you need:

- > An AMD product featuring UVD 3 (i.e. AMD Radeon™ HD 6400 and above graphics)
- > Latest AMD Catalyst™ driver Software v.10.12 release and above
- > DivX Accelerated™ driver

2 Steps to get your free software:

1. Install your new AMD Radeon™ 6000 Series graphics card
2. Visit the qualifying page on the computer that has your new graphics card installed
3. The qualifying page will automatically validate your graphics card and if validated, allow you to download ArcSoft Panorama Maker® 5 Lite for free.

3 Internet connection required for eligibility confirmation and installation. Eligible graphics cards include ATI Radeon™ 5450 graphics card and higher. AMD Radeon™ 6000 Series graphics card also eligible. Limit one discount offer or redemption per person, computer, or purchase of eligible product. Panorama Maker 5 Lite is a modified version of Panorama Maker 5 Pro. As such, certain features of Panorama Maker 5 Pro are not enabled, or function differently, than Panorama Maker 5 Lite. Other terms and conditions apply. For more information about Panorama Maker 5 Lite, as well as other terms and conditions, please visit www.arcsoft.com/intouch/AMDPMKLite.

-> Minimum system requirements are:

- > Windows XP, Vista, Windows 7
- > AMD Athlon® 2.4 Ghz or equivalent Pentium IV
- > ATI Radeon™ HD 5450 graphics card or better
- > 60 MB free hard drive space required for program installation
- > 512 MB DDR RAM or above
- > 16-bit color display at 800x600 with DirectX 3D support
- > Microsoft DirectX 9.0 or higher
- > Apple QuickTime® 7.0 or higher

4 AMD Eyefinity technology can support up to 6 displays using a single enabled AMD Radeon™ graphics card with Windows Vista or Windows 7 operating systems - the number of displays may vary by board design and you should confirm exact specifications with the applicable manufacturer before purchase. AMD Eyefinity technology works with games that support non-standard aspect ratios, which is required for panning across multiple displays. To enable more than two displays, additional panels with native DisplayPort™ connectors, and/or certified DisplayPort™ adapters to convert your monitor's native input to your cards DisplayPort™ or Mini-DisplayPort™ connector(s), are required.

5 Offer valid on qualified purchases of AMD Radeon HD 6000 series graphics cards. Limit: one (1) download per qualified purchase. Download must be completed by 4/30/12 at 11:59 pm Pacific. Good while supplies last; supplies of qualified products may be limited in some areas. Offer may not be combined with any other discount, premium, or offer. Minimum system requirements for software apply. Visit <http://www.cyberlink.com> for details.
